

## **What You Need to Know About Reservations for Regional Competition**

Daytona  
April 15-18

Competition Hotel is the same as last year.

**Hilton Oceanfront, Daytona Beach**, within walking distance of the competition venue.  
100 North Atlantic Ave., Daytona Beach, FL 32118  
1-386-254-8200

If you remember – there is a parking lot across the street where we can “self-park” for \$9 per day or valet parking is \$17 per day.

Room Rate is \$147 per night. Suites are available for \$247 and assigned on a first come, first service basis. They are one bedroom suites with either two queen beds or one king bed and sitting room, some with wet bar.

We will be paying with a single chorus check upon arrival to avoid the hotel room tax of \$17 per room, per night. You still have to give a credit card to hold the room and for any incidental expense. And you will present a credit card at check-in. It does not have to be the same card.

The Reservation Form is mailed to Regional and must be completely filled out and readable. One Form per room. Make sure the credit card you use will not expire prior to April 18<sup>th</sup>.

### **DEADLINES:**

**FEBRUARY 9<sup>th</sup>** – Reservation Form turned in to Kay Haden

**MARCH 30<sup>th</sup>** - Payment for the room must be made to Helen Jinright.

If there are three or four in a room, you will be assigned a room with two queen beds. If there is one person or two persons, I have no control over whether you will be assigned two queen beds or one king bed in your room. If you have a preference, I suggest you write that in as a “Special Request”.

The rooms have hair dryers, irons & ironing boards, coffee pots, high-speed internet access. The usual standard stuff.
